Dear Parents and Guardians of the P.S.204 school community,

The school year 2020/2021 is unlike any other year. The PTA at PS 204 has always been there to support the children and the school. Weather it was a dance, a carnival, ice cream after state tests, a magic show or a special assembly we have always tried to make our children's time at school a little more exciting. This year we are in unrepresented times. As a PTA we are unsure of what experiences we will be able to provide the children. We are exploring virtual options for some fun and exciting things. Whatever we are able to do we need the support of all of you. We know that these are hard times for everyone but if anyone would like to donate to the PTA we are accepting membership dues. There is no amount to small whatever you are able to give is appreciated.

If your child is blended you can send in your dues on the day they come to school. Please place money in an envelope with your child's name, class and group Attn: PTA membership dues.

If your child is fully remote you can mail your dues to the school please include your child's name and class and address the envelope to P.S.204 PTA

Another option would be to email the PTA (PS204pta@outlook.com) and we will figure out something that works for you.

We appreciate your support and look forward to making this year the best that it can be! If you have any questions, comments, or ideas we are always here to speak with you.

Thank You
