Dear Teachers, Staff and Families,

In support of AUTISM Awareness,
 PS 204 PTA and Student Organization are going BLUE together!

April is Autism Awareness Month!

Autism, or autism spectrum disorder (ASD), refers to a broad range of conditions characterized by challenges with social skills, repetitive behaviors, speech, and nonverbal communication. According to the Centers for Disease Control, autism affects an estimated 1 in every 44 children in the United States today. There is currently no cure for the disorder. However, research shows that early intervention treatment services can improve a child's development. Help us find the missing piece of the puzzle!

Here is how the PTA and SO will Collide to make a difference! Students who donate \$2 will receive a plant from the SO plus donate to the American Autism Society. The plant will be planted in the front garden of the school in your child's name. Please know, the plants will not go home.

Donations will be collected up until and no later than Friday, April 8th. Simply tear off the bottom and fill in as stated below. Send it in an envelope marked "PTA" with your child to give to their teacher.

The PTA and SO thank you in advance for helping this worthy cause and beautifying our school, all at the same time! Remember, like a plant or flower, a child with an ASD will bloom in their time.

SCHOOL SPIRIT DAY IS FRIDAY APRIL 1st. WEAR BLUE!

Childs Name: _____ Child's Class: _____

Number of plants _____ X \$2 = \$ _____ Parent Name & #: _____
