

Brilliant NYC Citywide Expert Panel

"There are so many students who are gifted, who are talented, who are brilliant." - Chancellor Meisha Porter

This is an opportunity to hear directly from national and local experts. These experts will help us better understand the science behind accelerated learning and project-based instruction. The panel will explain what Brilliant NYC could look like in our schools starting next fall.

Featuring:

- Dr. Yvette Jackson
- Dr. Joseph Renzulli
- Dr. Sally Reis
- Dr. Allison Roda
- And our local experts from the DOE!

**Monday,
