Dear Families,

Hope all is well with you and your families. As you are aware, you have chosen remote learning for your child. This means that your child will be learning 100% remotely (all online, from home). If you choose to, you will have the opportunity to change from remote learning to blended learning in November.

Your child's assigned class and schedule will be provided to you prior to school reopening on September 10, 2020. Our school hours will be from 8:30AM-2:00PM daily.

We are in the process of creating supply lists for remote learners as well as, blended learners. The supply lists are forthcoming and will be posted on our school website (PS204k.org) and sent through Remind.

I hope that this information is helpful in planning for your child's schedule. To ensure that you are provided with the most up-to-date information, please visit our school website regularly and check your messages from our school on Remind. If you do not have a P.S. 204 Remind account, the directions to join can be found on our school website. Please note that individual Remind accounts for each class will be created by your child's teacher.

Please contact our Parent Coordinator, Michele Wei at MWei@schools.nyc.gov or 347-753-3217 with any questions.

Thank you for your continued cooperation.

Sincerely,
Nancy Tomasuolo
Principal
