Each year in the United States, about 255,000 women get breast cancer and 42,000 women die from the disease.

Men also get breast cancer, but it is not very common. About 1 out of every 100 breast cancers diagnosed in the United States is found in a man.

Most breast cancers are found in women who are 50 years old or older, but breast cancer also affects younger women.

Please donate \$1.00 towards this great cause. 100% of your donation will be donated to The American Cancer Society. The students will receive a gift for donating.

To donate, please send in cash/check, or scan the CheddarUp OR PayPal code below to make your donation (a small fee will be applied for both options). Please note child's name, class and "Think Pink" on all platforms of payments.
