WINTER SING-ALONG

SPIRIT DAY

Dear Families,

It is amazing how quickly the winter season is approaching. Ms. Sarullo has been preparing our students for our annual virtual winter sing-along. We are excited and cannot wait to hear them sing their winter songs in their classrooms. To make this a memorable event Ms. Sarullo is asking you to help her out by sending your child to school with a hat and scarf on Thursday, December 9.

Classroom teachers will take a photo of your child in their winter accessories. They will also be holding a decorated snow globe that they have created in class. Student photos will only be taken if photo consent was submitted via Operoo in the beginning of the school year. These photos will be placed on a slideshow for students to view.

Our virtual winter sing-along will take place on Thursday, December 23. Teachers will view the sing along slideshow containing the songs and pictures with each of their classes on this day.

We wish you a happy, healthy, and prosperous new year from our PS 204 family to yours.

Sincerely,

Roseann Sainato

Principal
